Submission Date	2015-08-15 14:21:44
Full Name	Dominic Surge
E-mail	animalbreakthroughsolutions@yahoo.com
SUBJECT:	10 Year Old Mare
AREA OF CONCERN:	Large, red wither sore.
BEGINNING TREATMENT	08-01-2015
NOTES AND COMMENTS	Large, red wither sore. Tender to the touch. Immediate relief from flies and pests. The solution kills all bacteria and therefore does not attract pests. After a few days, soreness gone and wound improving. Continued use shows healing.
DATE	08-15-2015
